

## 1. Future

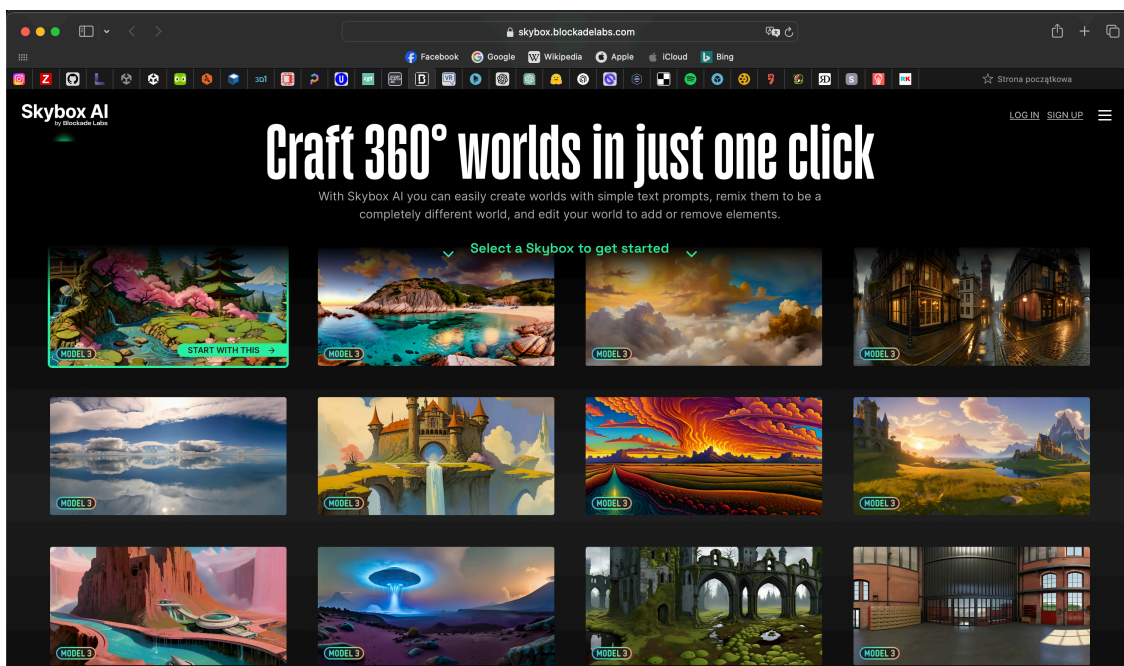

Agora - teleporty do Światów Academia Electronica

## 2. Cyfral

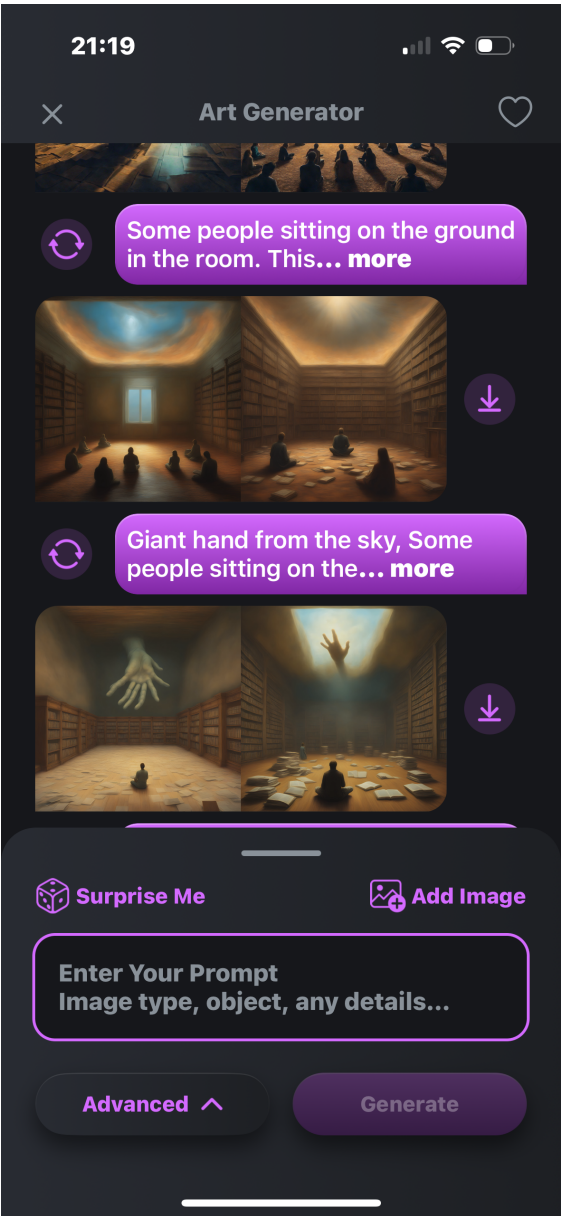

Unity - projekty

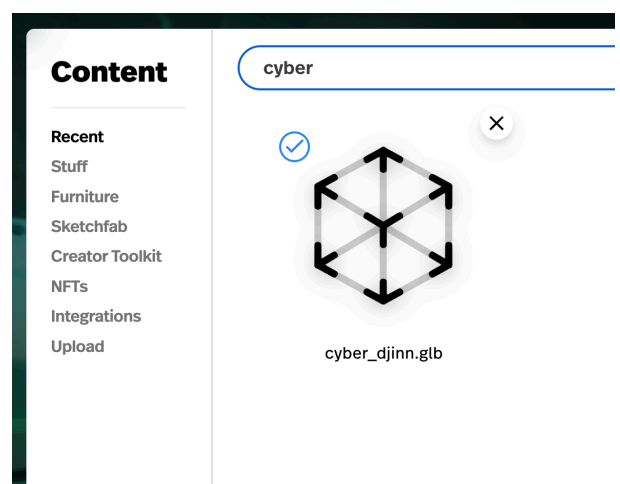

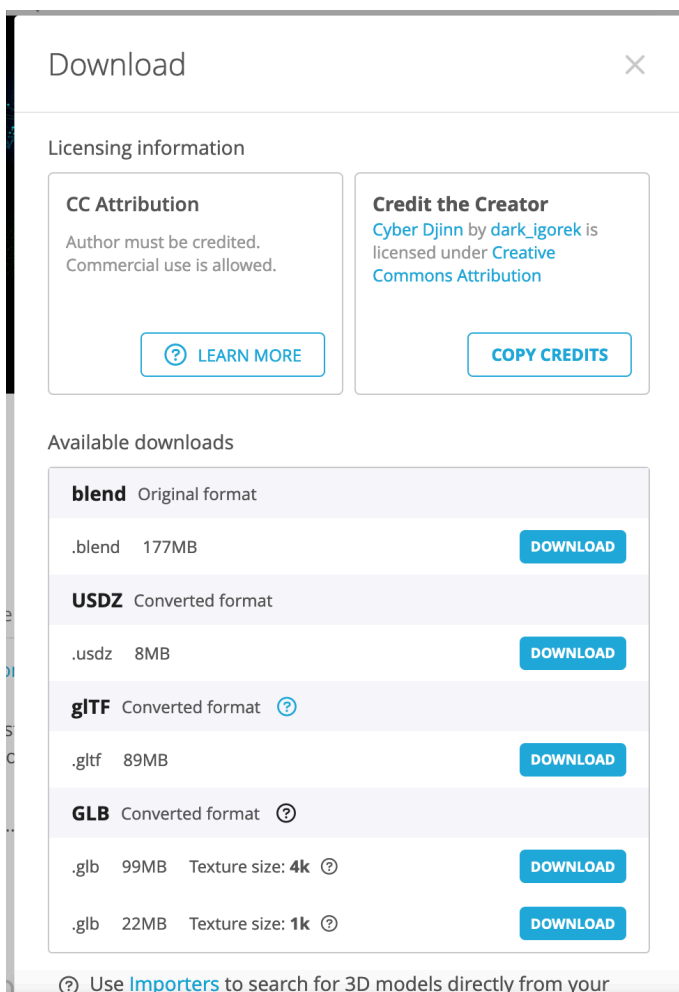

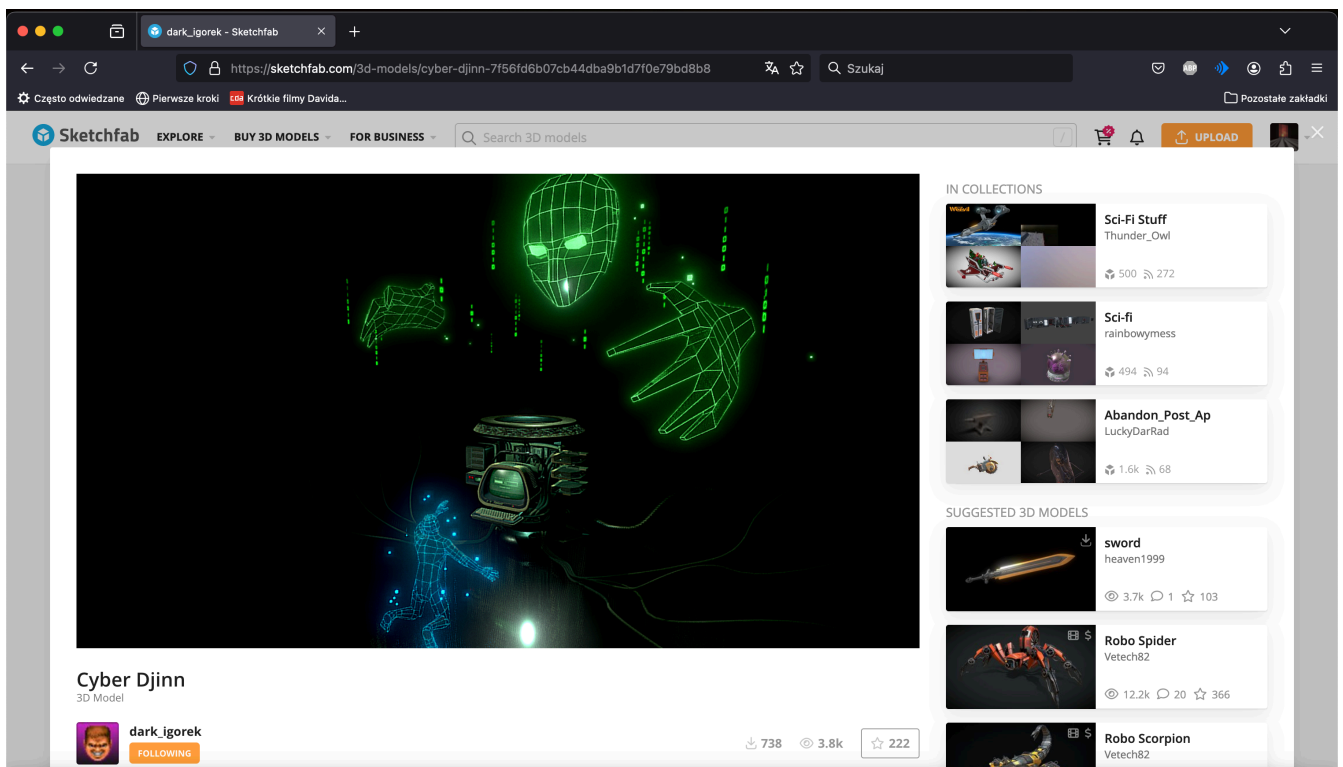

Skybox - AI generator sfer 360

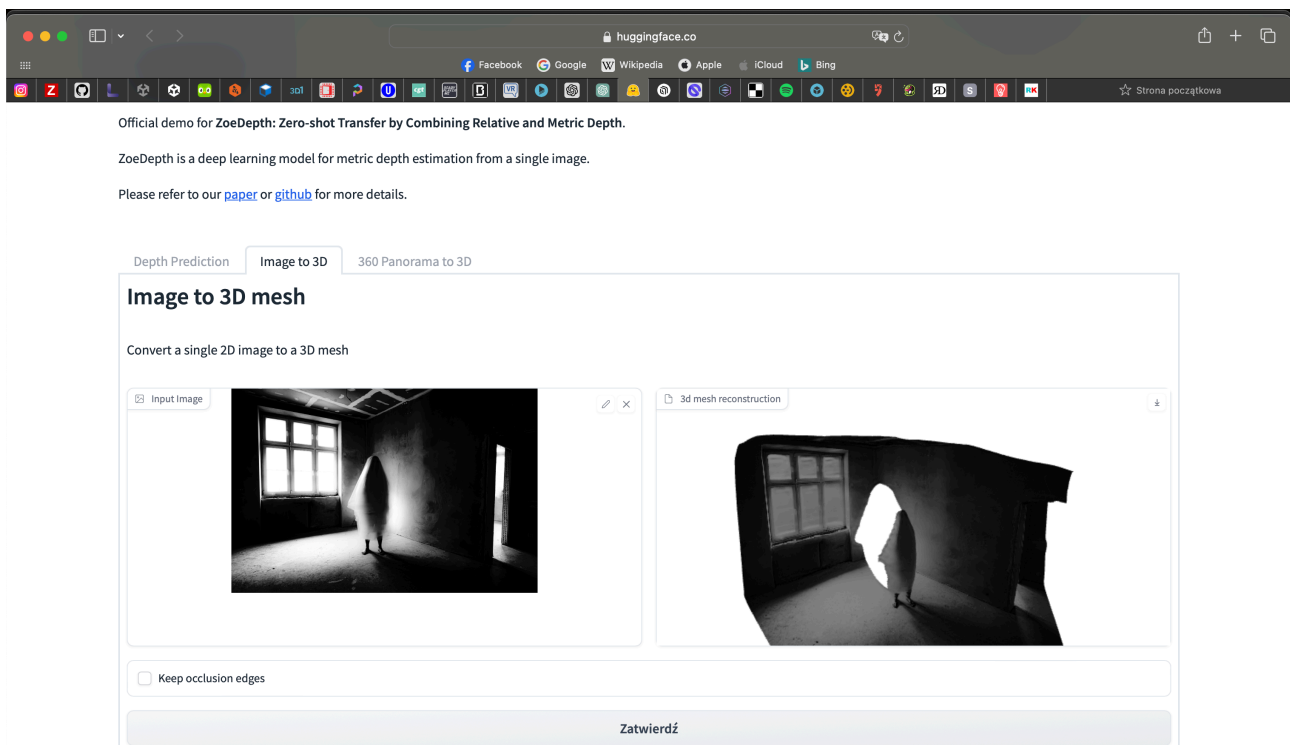

Generowanie grafiki - AI

# Sketchfab - modele

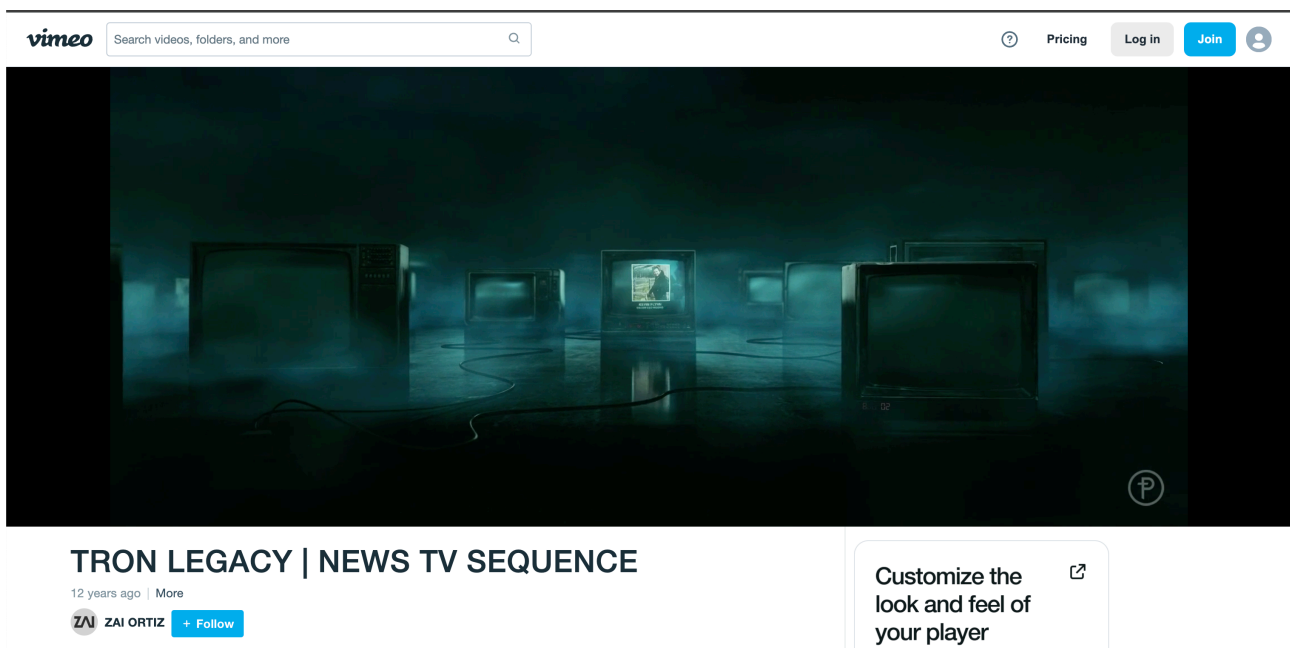

## Generowanie modeli z jednej fotografii

## Teleport Agora

### 3. Teleport TV Room - stream kart (tron, polyhaven) + desktop z unity store

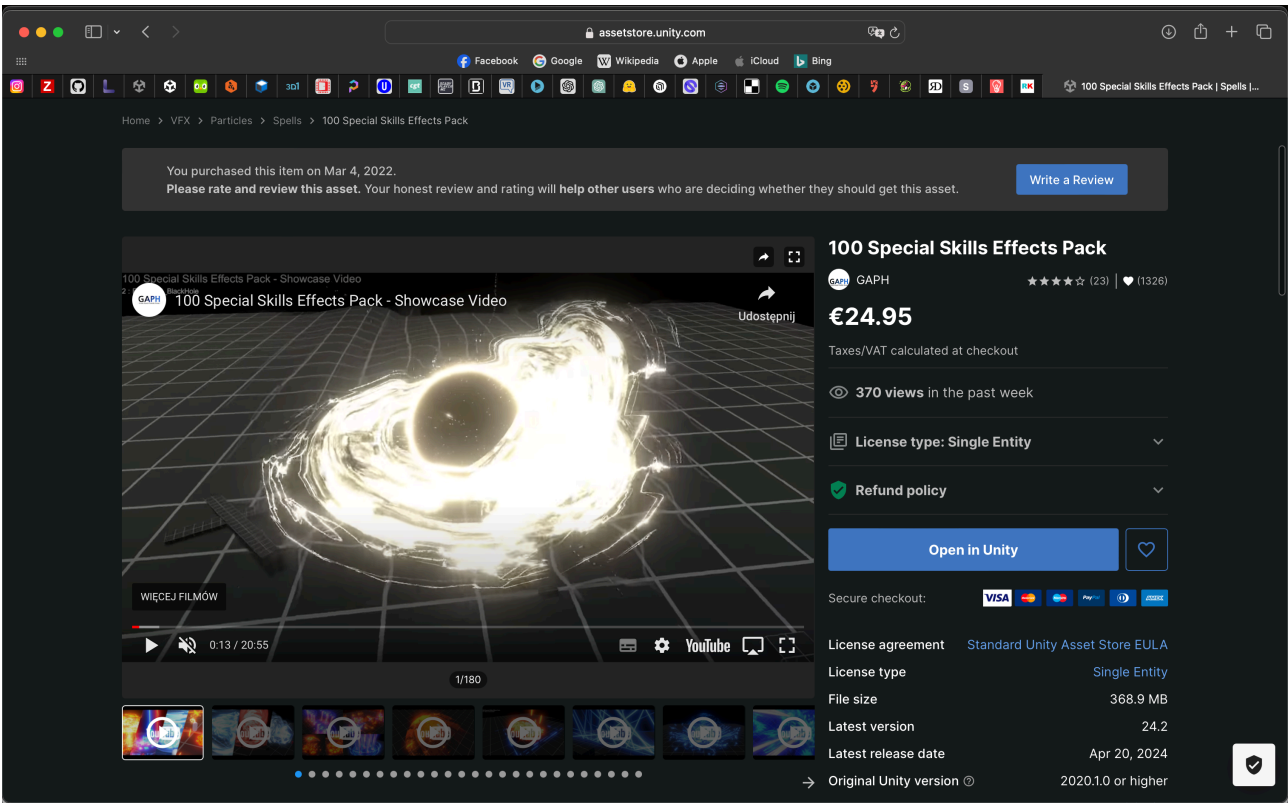

<https://vimeo.com/29273101> - fragment filmu

<https://polyhaven.com/models/electronics> - model TV

# Asset Store Unity

Teleport Academia Agora

## 4. Teleport Digital Beam

filmik z tworzenia w Gravity Sketch (MP4) (fotele, sala)

Teleport Agora

## 5. Teleport Future

Pytanie do audytorium - który z modeli chcieliby zobaczyć w Future - sketchfab - pobranie modelu glb - wczytanie go do Future.

**Pokaz wczytania modelu z LIDAR** (ekran z pulpitu - pliki + GLB)  
(jeśli czas na to pozwoli)
